Since 1918, Mothers of America's fallen heroes have served with quiet distinction in Military hospitals, VA hospitals, support groups, and countless other endeavors to serve veterans, their families, and our communities. No other group of individuals has served so much and sacrificed as much as these special women. Chartered by Congress as a Veterans Service Organization, they serve with grace and strength.

**Humility, Dignity, Patriotism, Self Sacrifice, and  
Courage are the Hallmarks of a Gold Star Mother.**

**Please support our efforts to thank them for their  
tireless service, and their personal loss!!**
